

DECLARATION OF CONFORMITY – PPWR
Regulation (EU) 2025/40 on Packaging and Packaging Waste (PPWR)

1. Responsible Market Operator

Paardekooper Packaging BV
Meerkamp 5, 2635 BE Den Hoorn, The Netherlands
Chamber of Commerce number: 83540865

2. Scope of this declaration

This declaration applies exclusively to the packaging items supplied to **Facility Trade Group Apeldoorn** in the attached list of products.

3. Declaration of Conformity

Paardekooper Packaging BV hereby declares that the packaging(s) listed above comply with the applicable requirements of the EU Packaging and Packaging Waste Regulation (PPWR), as in force on the date of issuance of this declaration.

4. Chemical Substances – PFAS and Heavy Metals

Based on declarations and technical documentation provided by suppliers and/or manufacturers, we declare that:

- For food contact materials, no PFAS (per- and polyfluoroalkyl substances) have been intentionally added more than the applicable legal limits (effective as of August 12, 2026).
- Heavy metals (including lead, cadmium, mercury, and hexavalent chromium), if present, remain below the applicable legal limits in accordance with current European regulations.

5. Basis of this Declaration

This Declaration of Compliance has been prepared based on supplier declarations, technical documentation, and internal assessment to the best of our available knowledge, and constitutes an independent declaration of conformity by Paardekooper Packaging BV .

This statement is based on our current knowledge and covers commercial products supplied by Paardekooper Packaging BV at the date of issue. Since the information in this declaration is strictly based on the information provided by our suppliers, which has been assessed to the best of our knowledge, Paardekooper Packaging BV makes no warranties, express or implied and assumes no liability in connection related to this information

6. Limitation of the Declaration and Future Legislation

This Declaration of Compliance applies exclusively to:

- The product as described in this document or in any attached document to which we refer herein;
- The laws and regulations in force on the date of issuance.

Legal requirements and implementing acts that come into force after the validity period of this DoC are explicitly excluded from this declaration and require a new conformity assessment.

7. Declaration

At the date of issuance, the packaging described in this declaration complies with the relevant requirements of the EU Packaging and Packaging Waste Regulations (PPWR), unless supplier information has not yet been received —indicated in relevant cells of the table by the mark "NNB" at the item line level— and for which PPWR conformity cannot currently be confirmed pending input from our supply chain partners, nor can this be confirmed for items which are not subject to PPWR as indicated in the same table.

8. Signature

Location: **Den Hoorn**

Date issuance: 17-8-2026

This is an electronically generated document, validated by the Quality Assurance System, and is valid without a signature.
